

Directions to Battery Gardens Inside Battery Park, NYC

Battery Gardens is located inside Battery Park, at the very southernmost tip of Manhattan, across the street and 1 block inside the Park, opposite 17 State Street. As you face south from State Street, it is to the right (west) of the Staten Island Ferry Terminal and the US Coast Guard Building.

Public Parking: There is a Quik-Park parking facility on Whitehall Street (just south of State Street, near the intersection of Whitehall & State St) about 1 block east of Battery Gardens. Directions are indicated below, based on your route of travel. **It is recommended that guests park at the Quik-Park parking facility on Whitehall Street.**

From Brooklyn/Staten Island via The Brooklyn Battery Tunnel

Take the Gowanus Highway to the Brooklyn Battery Tunnel. When exiting Tunnel, bear left. After traffic light, bear into the extreme right lane. Follow sign for Battery Park and continue to Battery Place (Battery Park will be in front of you and the old firehouse to the right). Make a left turn onto Battery Place. Follow Battery Place to the end and turn right on to State Street. Follow State Street to Broad Street. Turn right on Broad Street. Follow Broad Street to South Street and turn right. At the light turn right onto Whitehall Street. There will be a Quik-Park facility on your immediate right. This is the nearest parking garage to Battery Gardens. From this location, Battery Gardens is best reached by walking west along State Street about 1 block until the 17 State Street building is visible. At 17 State Street you will see a sidewalk leading into the park. Make a left onto this sidewalk 1 block towards the water and you will arrive at *Battery Gardens*.

From Brooklyn/Staten Island via Brooklyn Bridge

Take the Long Island Expressway or Gowanus Highway to the Brooklyn Bridge and stay in the middle or left lane. When exiting Bridge take exit to FDR Drive. After entering the exit, stay to your left and continue to FDR Drive South. Once on the FDR Drive continue in the right hand lane. Continue straight, sign will say Battery Park. At end of road, make a right turn onto Whitehall Street. A Quik-Park Parking Garage will be immediately on your right. *Battery Gardens* is about a block to the west opposite 17 State Street.

From New Jersey (Lincoln or Holland Tunnels) or the West Side of Manhattan

Take the West Side Highway South to West Street. Bear right and continue straight ahead to Battery Place. Go left (east) onto Battery Place. Proceed east & the street becomes State Street. *Battery Gardens* is opposite 17 State Street. For the Quik-Park Garage, proceed about a block to Whitehall Street & make a right turn.
